Oefen Examen Engels Gesprekken voeren B1 Zorg

Voorbereiding:

Lees eerst de hele opdracht door voordat je begint. Zo kun je beter inschatten hoeveel tijd je nodig hebt.

Situatie:

You work at a nursing home. The nursing home is especially for elderly who have Alzheimer’s. You have an appointment with the daughter of a new resident. She wants to know everything about the nursing home.

Opdracht:

During the appointment you discuss the following points. The daughter can ask questions. You can also ask questions to the daughter.

1. Give a short description of the nursing home. Mention at least two details about:
   a. The resident’s bedroom
   b. The dining room
   c. The garden
   d. The shower and toilets
2. Activities. What can you say about:
   a. Indoor activities
   b. Outdoor activities
3. Visiting hours
   a. Close family visiting hours
   b. Friends and other family visiting hours
4. Special needs. What care must be provided for the resident.
   a. Personal care
   b. Social, recreational care.
5. The new resident. Mention at least two details about:
   a. His childhood
   b. His family
   c. His home
   d. His work
6. Activities. Name at least two activities or hobbies that he likes doing.
7. Emergency contact. Give your contact information in case of an emergency.
